

Youth Ministry Team Minutes
January 2013

The Youth Ministry Team did not meet in January with the other ministry teams. We convened over email, however, the email response from members was not good.

The future of G2 was discussed and it was agreed on that we should try to offer an event the first Sunday of the month and see how that goes, if that increases attendance or interest. Our first Sunday will be February 3 with a trip to Nordic Mountain.

We revisited the adult chaperone policy as this is the time of year that people come forward to chaperone. We agreed that the policy did not need any revisions.

Some of our Sunday School classes need adult helpers. We decided to ask parents to sign up to help in the classrooms. We will ask teachers if they need or want a helper and then have parents sign up on an as needed basis. We are trying to not burn out our current teachers who volunteer for the entire year.
